

“Keys to the Gym” Point Guard Camp

The Point Guard Basketball Camp was created in response to the need for a high-level “skill camp” that specializes in position play and the skills necessary to be successful. This camp provides a unique opportunity to learn specific elements of **“the point guard”**

“Keys to the Gym” will provide an intense, no-nonsense basketball education for male and female players 3rd grade and up. This camp will teach point guards to play smart basketball, to be coaches on the court, and to be leaders in practices, games, and in everyday life.

At PGC, players will be encouraged to get out of their comfort zone and to make (and grow from) their mistakes in an environment carefully designed to foster their *development and improvement* as a student-athlete, leader, and human being.

“PGC is basketball in its purest state”: players who are eager to learn, coaches who are enthusiastic about teaching, and an atmosphere filled with positive energy. This is an experience that the players will take with them and apply to all aspects of their lives.”

I have spent a lot of time preparing for this Point Guard Camp, with the goal of making it a premier developmental tool, designed to raise the skill level of those basketball players in the Metropolitan Area. **By no means will this be a baby-sitting service!**

The Point Guard Academy: will offer elite level basketball training in several core skill areas. These core skills: Ball handling, shooting, passing, Leadership, work ethic, communication and serve as the foundation and cover the essential elements of being a great Point Guard!

Parent Signature: _____

I've always wanted to shoot a good percentage for my team, because I'm the point guard, and I can take fewer shots, still score more, so that I can get my teammates feeling good about themselves. That was always my feeling - that if I shoot a high percentage, I don't have to shoot a ton.

Steve Nash
